Is there anything better than a Caribbean vacation? Iberostar Selection Paraíso Maya Suites gives you the Caribbean experience while also placing you at the heart of the Mayan civilization, one of the most fascinating cultures of pre-Colombian America. Take in this millennia-old atmosphere at the lobby bar, a recreation of the legendary pyramid of Chichén Itzá. Soak in one of our **8 pools**, including a lazy river that will make you feel like you're floating through the Mexican jungle. Or jump in the wave pool if you want a safe environment to play in the waves. You can also check out Aquafun, the **new waterpark** filled with water slides. Let your children explore the endless array of activities at our Star Camp while you make the most of each day with our new concept, Iberostar Aliveness. It will give you a chance to rediscover yourself, your surroundings, and nature by offering a variety of activities, special facilities, healthy gastronomy, and our **SPA Sensations**.\*

You'll also have a cycling studio offering daily classes, and two multi-sport rooms where you have the chance to try yoga, Zumba, kickboxing, body pump, boot camp, and more. All activities are led by certified instructors.
- You can also play tennis on the resort tennis courts, or even take your game to the next level by booking a class with a coach. The beach also gives you plenty of options to practice water sports. Kayaking, catamaran sailing, snorkeling, and windsurfing are free for the first hour.

### Entertainment activities

- The hotel ensures an endless array of fun and exciting activities scheduled throughout the day and led by our Star Friends entertainment team. This is something our guests point out, and which are among the best memories that they take home with them after their vacation. Fun activities, such as bingo or board games, sports including games in the activity pool and also the professional shows put on each night to make sure both kids and parents have a blast: magic, juggling, music and dance for all audiences.

### A walk among the mangroves

- Take a walk among the hotel's mangroves and find out more about how important they are in protecting our planet. The mangroves absorb 10 times more carbon dioxide than terrestrial forests, helping to combat climate change. They are typical of tropical areas and protect the coastlines from the wind and waves.

### Pools

- The hotel's 8 pools are among the amenities that our guests enjoy the most. Aquafun has 7 water slides with a combined length of almost 200 feet: 4 turboracers, 1 stuka, 1 aquatube and 1 open slide. The wave pool starts up every few minutes and is a hit with kids and adults alike. The perfect place to unwind is the lazy river, where you can let the current whisk you away, surrounded by vegetation. You can unwind even more in the whirlpool bath, rest in the Balinese beds, get into shape in the athletic pool or have fun drink-in-hand at the Aqua bar, while you enjoy activities prepared by the entertainment team. Our youngest guests have a splash pool just for themselves so they can enjoy the water more than ever.

## SPA Sensations

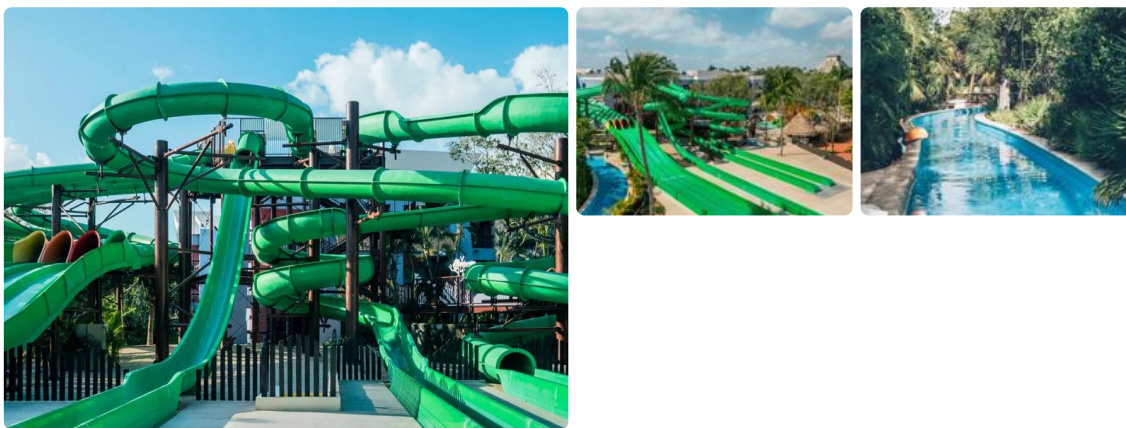

- The SPA Sensations main indoor pool features enormous windows on all sides. The vibe in this adults-only area of the hotel exudes total calm and relaxation, and the services available are virtually endless, offering various specialized massages (Thai, hot stone, energizing, Swedish...) and a host of beauty treatments and well-being services. Additional Cost

## Golf course

- It is located right on the premises, making it incredibly easy to enjoy a round of golf without needing to leave the complex. To top it off, the course's 18 holes are set against a marvelous backdrop of lush natural surroundings, for an even more pleasant golfing experience. Additional Cost

## Dive center

- Dressel Drivers is the hotel's professional diving center, where classes and outings are organized. You can dive into the underwater museum of art, visit sunken ships, and starfish shoals while diving with sea turtles or whale sharks, in natural wells, or in reef parks...The turquoise blue Riviera Maya attracts both experienced and novice divers from the world over. Additional Cost
